

Hand Roller Frame

Product Specifications

Product Details

Product Name: Hand Roller Frame

Order Quantity: Each

Includes: Frame with one flat roller

Description: Easy to replace, heavy duty roller with thick 3/4" nap for applying coatings and adhesive quickly and efficiently.

Product Benefits

- No adjustable parts to break or slip
- Double surface area holds more material
- Thick 3/4" nap with lubricated thru axle
- 8" fits in 5-gallon bucket
- 18" Finishing Roller has 3/8" nap
- When the appearance of the topcoat is important, the lightweight roller on a heavy duty frame allows for a smooth finish
