

V-Manifold

Product Specifications

Product Details

Product Name: V-Manifold

Order Quantity: Each

Includes: V-Manifold on handle, drill bit, fittings

Description: The patented V-Manifold is constructed with simple, straight flow paths to allow a free flowing stream of liquid components for 2-part adhesive application with less down time. 12" drill bit quickly removes clogs.

Product Benefits

- Reliable flow and simple design
- Strong, durable construction
- Comfortable forearm cuff allows for ease of use
- Lighter weight reduces operator fatigue
- The Standard features a molded urethane body and anodized steel threads
- The Premium features an anodized aluminum body and thread; two Zerk grease fittings
- Yoke handle simultaneously opens both valves
- Compatible with: Cyclone; Pace Cart; Patriot Jr.
